Sir/Madam,

Kindly refer to the earlier letters of the Ministry to fully operationalize the MIS.

2. In this regard Orissa was the first State to do. Other States like Karnataka, Madhya Pradesh and Kerala have also started reporting on the MIS from the current financial year (2009-10).

3. It is once again requested that the States which have not yet been fully operationalized MIS till date should move to fully operational MIS by the end of December, 2009. However, if the State has any issues regarding the operationalization, it can be discussed with the Ministry.

With regards,

Yours sincerely,

(Rohit Kumar)
Deputy Secretary (NREGA)
