No. 11868(W) of 2018 of Biswajit Shaw vs State with direction of the Hon'ble High Court to re-consider the petition of the petitioner giving an opportunity of hearing in accordance with law.	The petitioners were applied for new Auto Rickshaw route permit in the route no. 155/Auto (Serampore Court to Konnagar Bata via. T.C. Goswami Street). The route in question was under the jurisdiction of KMA and issuance of new permit in KMA was restricted as per notification no. 3438-WT, dated 02.08.2004. Now, as per latest Govt. notification and considering the auto rickshaw policy of Transport Department, W.B., restriction on issuance of Auto Rickshaw permit in KMA is relaxed but considering some significant issues like over congestion, Law & order, scarcity of suitable auto stand, different mode of existing transport services etc. in Chandannagar Police Commissionerate Area, a committee has been formed by RTA, Hooghly in its meeting dated 14.02.2019 for administrative report on creation of new routes, variation in existing routes, issuance of new permits, fleet strength etc. relating to auto rickshaw. Fresh Applications of new auto rickshaw permit within the Chandannagar Police Commissionerate Area may be considered for discussion by the RTA, Hooghly, accordingly after receiving the report from the committee. Hearing of the petitioner maybe deferred to the next RTA Board meeting.	Hearing of the petitioners is deferred to next RTA Board meeting.

Condition of the route from Arambagh Hospital More to Seali (6 km) is good and overlapped with sufficient nos. of Buses, Trekker. Condition of the route from Seali to Maigram (2.5 km) not so good.	The prayer is rejected as most of the route are in same alignment with the buses & trekkers.

C- New Bus permit in existing routes :-

S.N.	Agenda	Observation	Decision
3	30 applications received for new permit of stage carriage buses in different existing routes.	The applications may be considered and allowed for offer letter for new stage carriage permit of buses. Applications details are reflected in Annexure 'A'.	Approved.

D- Auto Rickshaw Policy under Chandannagar Police Commissionerate:-

In terms of Auto Rickshaw Policy of Transport Department, vide notification no. 3944-WT/3M-01/2010 Pt.II, dated 14.08.2018, restriction in issuance of Auto permit in KMA has been relaxed in Hooghly district. But there are some

Resolution of Board meeting of RTA, Hooghly, dated 22.08.2019

significant problem such as over congestion, Law & order, scarcity of suitable auto stand, availability of different mode of transport etc. for issuance of new route & permit. In this context, RTA, Hooghly in its Board meeting has formed a committee with ADCP, Traffic of CPC and concerned SDOs for necessary enquiry and report regarding over congestion, Law & order, scarcity of suitable auto stand, availability of different mode of transport etc.

Accordingly, as per decision of the RTA Board, a letter has been issued to the Commissioner of Police, Chandannagar Police Commissionerate, vide memo no. 246/MV, dated 31.05.2019 along with details of Auto Routes including existing strength under Chandannagar Police Commissionerate to submit report by one month on the basis of the following points which will be discussed in the next RTA Board meeting.

It is also to be mentioned that the Member, RTA, Hooghly, has already recommended for consideration for 578 nos. of candidates for new Auto Rickshaw permits in the routes under Chandannagar Police Commissionerate area, most of which were rejected earlier due to restrictions in KMA.

Apart from, a huge nos. of proposals have also been received through MLA, Chinsurar-Mogra, for regularization of existing autos plying in different routes under Commissionerate Area.

Mr. Sanjib Dutta, Ld. Advocate, High Court, Calcutta has prayed to recall the resolution of RTA, Hooghly, dated 19.09.2018 on the same point to issue new auto rickshaw permit in the route Ballykhal to Bagkhal and different routes under Commissionerate Area and submitted a list of 350 applications which were also rejected in the same reason.

Apart from that a large nos. of applications were also rejected earlier in the same ground.

Hence, in the matter of regularization of existing auto rickshaws and issuance of new permits under Commissionerate area may be taken into consideration with a proper policy.

It was decided in the last meeting that all existing routes under Chandannagar Police Commissionerate should be inspected by MVIs in terms of G.Os & Notifications related to Auto Rickshaw permit. Report should be submitted in the next RTA Board meeting. Report from Police Authority should also be collected by 31.07.2019.

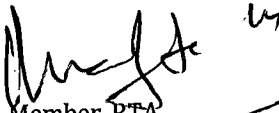

The report from Police Authority has been received and it is clearly stated that they are unable to provide any opinion regarding the matter related RTA. Fleet strength of the existing routes have been revised only in the report which may be considered.

Presently survey of existing routes by MVIs is in progress.

Decision :

Survey report of MVIs should be put up in next RTA Board meeting.
